Kieran Ryan acts for companies, pensions and private equity funds on a broad range of corporate and commercial matters with a focus on mergers and acquisitions, project development, infrastructure projects and commercial transactions.

In particular, clients benefit from Kieran's experience with purchase and sale transactions, management buy-outs, recapitalizations and almost all aspects of infrastructure and resource project development, including co-ownership and joint venture structures, commodity transportation, processing and sale agreements, as well as procurement, construction and operating arrangements.

This broad range of experience and knowledge assists in anticipating issues before they arise and ultimately allows for efficient resolution of problems when they cannot be avoided.
