Alberta, 2010

Keely Cameron is an experienced legal counsel with a solid business background. She has a proven track record for finding innovative solutions and generating value.

Keely helps clients on both commercial litigation and regulatory matters. Keely has extensive experience on Alberta oil and gas regulatory matters having worked for Alberta's energy regulator for a number of years and has appeared before the Alberta Court of Queen's Bench, Court of Appeal, Supreme Court of Canada. She has extensive experience assisting clients in engaging with internal and external stakeholders, designing and implementing corporate projects, and implementing government legislation and policy.

Keely has extensive experience with issues relating to enforcing closure and liability obligations and representing the AER on insolvency files.

Keely is a three-time recipient of the AER Regulatory Excellence Award and the 2018 recipient of the Canadian Lawyer Inhouse Innovation award for Litigation Management.

In 2019, Keely won the Litigation Management Award at the Western Canada General Counsel Awards held in Vancouver. She also won the Canadian Public Relations Society Bronze Award of Excellence 2019 for Canadian Issues/Crisis Management Campaign of the Year – Redwater Response.
