Dan Morrow represents clients in a broad range of litigation and administrative law matters. His practice includes:

- professional negligence actions
- administrative law with an emphasis on professional regulation
- corporate/commercial disputes
- regulatory offences
- product liability matters
- fraud matters
- estate litigation
- personal injury and fatal accident lawsuits.

Dan represents professionals involved in civil actions and disciplinary matters. Dan also represents corporate clients in a broad range of commercial disputes. Dan has successfully advanced civil claims on behalf of major corporations in fraud matters. He also represents individuals and families in estate, personal injury and fatal accident litigation.

Dan appears before all levels of court in Alberta, as well as various administrative tribunals, public inquiries and professional regulatory bodies. He is also counsel in arbitration and mediation proceedings.

Dan has presented at legal education seminars on the topic of professional negligence and advocacy.

Dan presently serves on the Board of Directors for the Seniors Association of Greater Edmonton (SAGE).
