Suzara Punu is a litigation paralegal with a focus on Health Law. In her role at Bennett Jones she manages files to ensure that they are up-to-date, prepares pleadings and other court documents, gathers and analyzes medical evidence for disclosure, processes records using Eclipse SE software, identifies suitable medical and non-medical experts to assist with cases, and handles trial preparation and research. Suzara has been with the firm for over 5 years and holds a Bachelor of Arts degree and a Legal Administrative Assistant diploma. Outside of the office, Suzara loves to spend time photographing nature and landscapes.

Suzara also speaks Tagalog.
