Peter Amrhein has a general corporate and commercial practice with a focus on corporate transactions and financial services. He serves clients operating in numerous industries, including the energy, environmental and technology sectors. Peter also advises non-profit organizations regarding corporate governance matters. Peter has helped draft distributor agreements for sales throughout Latin America, as well as parts of Asia and Europe.

In transactions, Peter acts for both buyers and sellers in share and asset based transactions. He represents clients in friendly acquisitions, as well as sales related to shareholder disputes. He drafts and negotiates key documents, conducts due diligence, and provides business risk analysis. Recently, Peter has advised a client considering a European acquisition.
