Ontario, 2018

Christopher Ferencz has a general commercial real estate practice.

Chris's real estate practice involves the acquisition, disposition, financing, leasing and development of commercial properties throughout Canada, including office buildings, retail properties, industrial properties, multi-family residential developments and resorts. He assists clients operating in a variety of industries, including the mining, construction, hospitality, commercial real estate, and financial sectors.

Christopher completed his law degree at the University of Ottawa, graduating on the Dean's List. During law school, Christopher was a legal writing tutor through the faculty's Legal Writing Academy and was actively involved in pro bono work for REACH Canada.

Christopher is a member of the Canadian Bar Association and the Ontario Bar Association.
