BAR ADMISSIONS

Alberta, 1993

Chris Skelton's practice relates primarily to large commercial transactions, with a specific focus on private investments and acquisitions, project joint ventures, and project development.

Chris' practice also includes the formation of investment funds and related domestic and international corporate structuring, and various commercial transactions in the energy sector.

Chris acts for U.S. and Canadian private equity firms, and for international and domestic energy firms, including major Canadian, U.S., Asian, European, and global upstream, midstream, and integrated energy and industrial firms.
