British Columbia, 2022

Kiera Stel's practice focuses on real property, including real estate and lending transactions, construction, procurement and commercial real estate.

She has experience in transactions involving buying, selling, leasing, financing and development of infrastructure and commercial real estate including apartment and office buildings, shopping centres and industrial properties. Kiera's work has benefited a wide range of clients from developers and commercial entities to hospitals and wastewater treatment plants.

Prior to becoming an associate at Bennett Jones, Kiera summered and articulated with the firm.
